

THIRTY-FIVE DIE IN SINKING OF CHANSLOR

(Continued from Page 1)

planning to have their Christmas celebration on board if port was not made before Christmas eve. The last details in detail how the men clutched to buoy or grapple and how the girls were wrapped and ready for distribution from the tree.

Francis Jackson of Portland, son of C. Jackson, publisher of the Oregon Journal, was making the trip from Portland to San Francisco on the J. A. Chanslor. Jackson, who was not a regular seaman, relieved the second engineer for the one trip for the experience.

Dooley and another man were picked up on the beach near Cape Blanco and were in a desperately exhausted condition. Subsequently revived, Dooley was able to give the life guards sufficient data upon which they could begin their work. According to Dooley, the Chanslor struck about 6:15 o'clock Thursday night while a heavy fog obscured vision. It broke in two a few minutes later, the after part sinking almost at once, carrying thirty of the crew down with it.

Ten or a dozen members of the crew, he added, succeeded in getting a small boat overboard from the forward part of the ship. This boat drifted all Thursday night and Friday, unable to make a landing or sound a call for help that could be heard over the 55-mile gale. Two men were picked up from the water by those in the small boat. One of them was insane. He died shortly after he was taken aboard. When a final effort was made to launch the boat near Bandon, it capsized.

Telegrams to the San Francisco Chamber of Commerce this morning came from Bandon, Ore., stating that the Chanslor had been lost and was fast breaking up.

The vessel was bound for this harbor under ballast from Portland, bearing the last Wednesday morning. Going down the Columbia the boat was compelled to cut its way through the ice. The last report from the Chanslor before the wreck was Wednesday night when Captain Sawyer wireless his position as fifteen miles south of the Columbia mouth.

The J. A. Chanslor was one of the latest designs of oil tankers, being built at Newport News, Va., in 1910 for the Associated Oil company. The vessel was of 4900 tons gross, 375 feet long, 52 feet beam and a depth of 29 feet. The hull was of steel construction and had a capacity of 30,000 barrels of oil in bulk.

BOUGH. The name of Earl Dooley, given in despatches as saved, is supposed here to be Earl Dewey, who joined the vessel at Portland, Ore.

Oliver Jones is a brother of B. Jones, assistant manager here of the Associated Oil Company.

STUDENTS HELD BY THE POLICE

Fred Paul and Irving Hollister, University of California students, are being investigated today, following their capture after Patrolman James Bray fired four shots to halt their automobile at Thirtieth and Grove streets.

Silverware belonging to the California restaurant, Oakland, was found in the machine occupied by Hollister and Irving, according to the police. The two university students were arrested after they had reported their car stolen. The police had hidden the machine.

The pair first came under suspicion of Officers Ray, Neumann and Patrolman Bray at Thirtieth and Grove streets. The machine had no headlights and was speeding. At the command to stop, the driver swerved into the path of Patrolman Bray, running over the policeman's foot and knocking him down. Bray shot four times at the machine. None of the shots took effect.

According to the police information the boys stopped their machine directly in front of Superior Judge Everett Brown's home, where they discussed running down Patrolman Bray. Judge Brown overheard the conversation and notified central station. Hollister and Paul left the machine and it was taken in a nearby garage by the police.

Answering the call that the car had been stolen, the officers arrested the two students. They gave no explanation for the silverware found under a laprobe in their car.

VICTOR BERGER AGAIN ELECTED

MILWAUKEE, Wis., Dec. 20. — Victor L. Berger, Socialist, elected to Congress in 1918, but refused his seat when convicted of violations of the espionage law and who is now under sentence of twenty years to the Federal prison, was re-elected to represent the fifth congressional district in Congress yesterday, and today declared he would renew his efforts to get in his seat in Congress as soon as he had been officially notified of his election.

Berger's majority at 4505 votes over Henry H. Bodensatz, Fusionist candidate. This is a gain for Berger of more than 2000 over 1918. Berger's total vote was 24,347; Bodensatz, 19,551.

Should the House of Representatives again refuse to seat Berger his chair in the House will be vacant until 1920, as Governor E. L. Phillips announced he would not call another special election.

Mother in Court As Son's Counsel

A mother today appeared in the police court of Judge George Samuels to act as legal counsel for her son, E. G. Sierbert, 19 years old, charged with embezzling an automobile.

From the legal showing that Mrs. Sierbert made in police court today, Prosecuting Attorney E. H. Henson intimated Sierbert's chances for freedom were very good.

It was during a tangle between Attorney J. Thomas for young Sierbert and Judge Samuels that the mother interrupted and requested to be named as the sole counsel for her boy. Thomas had been severely rebuffed for his actions in court and a letter he is said to have written to the plaintiff.

Judge Samuels granted the request. The case has been set for January 14.

During the board with a Grand Jury investigation into alleged illegal expenditures and "unwarranted extravagance" and pointing to the annual expenditure of \$5000 for publication of the board's annual report.

Wife Stands Off Guard, Keeps Child

SAN FRANCISCO, Dec. 19. — Mrs. Vera Travis, the 22-year-old daughter of a well known San Jose family, stood off her husband, Walter Travis, and four guards who surrounded her home at 942 Brunswick street last night, refusing to obey the demand of the San Jose courts that she give to Travis the custody of her 2-year-old daughter. Travis is employed as a jewelry clerk in California. While Mrs. Travis has been living in San Francisco, he has been seeking her for six months to serve with a divorce complaint. The young woman refused to surrender her child on the advice of her attorney, Franklin P. Bull.

Travis filed suit for divorce in the San Jose courts last June. The court ordered by the exclusive custody of the child. The action was based on the grounds of desertion. Mrs. Travis had come to San Francisco, according to her story, to prevent her husband's parents from taking the child. She has been a student of music.

TETRAZZINI LIFTS JEWELLED VOICE

By ROY HARRISON DANFORTH. Luisa Tetrazzini's astonishing brilliance has been dimmed not one whit since she sang here ten years ago. This much was made apparent in her recital at the crowded Ye Liberty last evening. The diamond clarity, sharpness and hardness of her higher notes, her impeccable feeling for pitch and, on the personal side, her persistent enthusiasms, remain the unmitigated possessions that interested us before.

Mozart's irrepressible trickeries were once more in evidence. She not once merely walked upon the stage or calmly occupied it afterward. Always her entrance was in tripping one-step her subsequent attitude a compromise with the shimmy. But these perquisites of a great diva did not fail to delight. The audience fairly giggled its way into raptures with her before her first golden notes had won them anew.

LIMPID NOTES SOAR. Without her voice for rendition Madam's program would have been anything but impressive. It contained such familiar as Ophelia's mad scene in the Ambrosio Thomas version; Solvay's song from the Grieg suite; Tosca's "Città Canzona" among the encores; variations on "The Carnival of Venice." The audience of San Francisco, so too, did Mayor Wadler, a young violinist with apparently modern leanings, a warm and sufficient tone and a firm though hardly brilliant technique. He was given a standing ovation by all three artists for his excellent accompaniments.

TENOR ASSISTS DIVA. Warren Proctor, a tenor of ingratiating personality and of a voice not powerful but of a winning sweetness, particularly in lyric passages, assisted Madam Tetrazzini. So, too, did Mayor Wadler, a young violinist with apparently modern leanings, a warm and sufficient tone and a firm though hardly brilliant technique. He was given a standing ovation by all three artists for his excellent accompaniments.

CLAIM LIVING COST LOWER, WAGES HIGHER

Statements that the cost of living is lower in the Oakland region than in any other of fifty American cities; that it has decreased more than one and a half per cent since February; that the increase in wages has been steadily greater than the increase in the cost of living; and that the San Francisco-Oakland Terminal Railway finished eleven months of this year with a deficit of \$375,047.40 were made by officials of the company at the strike arbitration hearing today.

The testimony was offered by Samuel A. Pickard, chief clerk of the company, and J. P. Potter, superintendent of transportation. Potter's evidence was chiefly to show that the broken nature of the traffic load makes it impracticable to give the men the eight-hour day they demand.

The hearing was conducted again before Arbitrator Warren Olney Jr., Ralph Palmer Merritt and E. C. Bradley. The two witnesses were interrogated by William I. Brobeck, counsel for the company. At the conclusion of today's hearing an adjournment was had until 2 o'clock Monday afternoon.

ALLEGATIONS OF MEN ON COSTS DENIED

Pickard cited figures from the Annual Report of the Department of Labor records and of his own investigations to show that the cost of living had not increased so considerably as the men alleged. From February to October of this year the cost of living, based on a general index of all commodities, had decreased 1.57 per cent, he said, while the wages of the men had increased 15 per cent. He analyzed the several classes of prices paid on both the Key Route and Key Route lines, and indicated the wages they could earn if they worked steadily and what they did earn. The highest wage was a general average of nine and one-half times the cost of living, and the lowest was 1.5 times the cost of living. The average monthly wages of men in the best paid class on the traction lines was \$118.

Among the charts and tables he offered in evidence was one which showed the comparative cost of living in fifty American cities. Based on the amounts actually expended thereon on twenty-four items of food, Birmingham, Alabama, showed the highest figure, \$17.84. The lowest was in the list, \$4.53.

He said if the demands of the men were granted and met by the company with increased car fare, the traction fare would have to go to nine cents and the Key Route fare to 15 cents. But, since the experience of the city in other cities was that increase in fares was invariably followed by a decrease in traffic, even this raising of fares might not result in the desired increase.

CLAIM INCREASE IN OPERATING EXPENSES

Since 1916, he averred, the labor cost increase in the operating expenses of the company had averaged \$408,000. Landed indebtedness of the company had long been in default, so far as their interest payments were concerned.

Pickard's estimate of a loss for the company in eleven months of \$375,047.40 supplemented his earlier figures of a ten-month loss of \$254,000. Of this amount \$144,125 was expenses incurred. Justice Olney of the board questioned the witness as to what these expenses are and the company's counsel offered to submit a confidential statement of the accounts.

The witness said that the demands of the men, if granted, would cost the company \$1,832,000 a year in addition to the present total operating costs. The amount is made up of the following items:

Increased wages to traction men, \$132,171; increased wages to Key System men, \$158,154; total wage increase, \$290,325.

Cost of changing to the eight-hour day, traction division, \$34,492; Key System, \$53,587; total, \$88,079.

Rearranging schedules to accommodate the eight-hour day,

Key System, \$10,503; total, \$74,963.

To guarantee extra men \$120 a month demanded, on the traction lines, \$40,000; Key System, \$18,720; total, \$58,720.

Increases granted the employees by the board and by voluntary action of the company amounted to \$508,000 for the ten months of the present year over and above the ten corresponding months of last year. It was explained that the company made two voluntary increases to the low-paid men, by reason of the labor shortage during the active months of war construction.

The gross operating revenue for the same period as compared with the corresponding period for the previous year was \$555,059 greater. The entire operating expenses for the period increased over the corresponding period of the previous year by \$111,765. It was explained that the normal revenue for the period would be the amount lost during the strike, bringing the total revenue increase up approximately to the total cost increase.

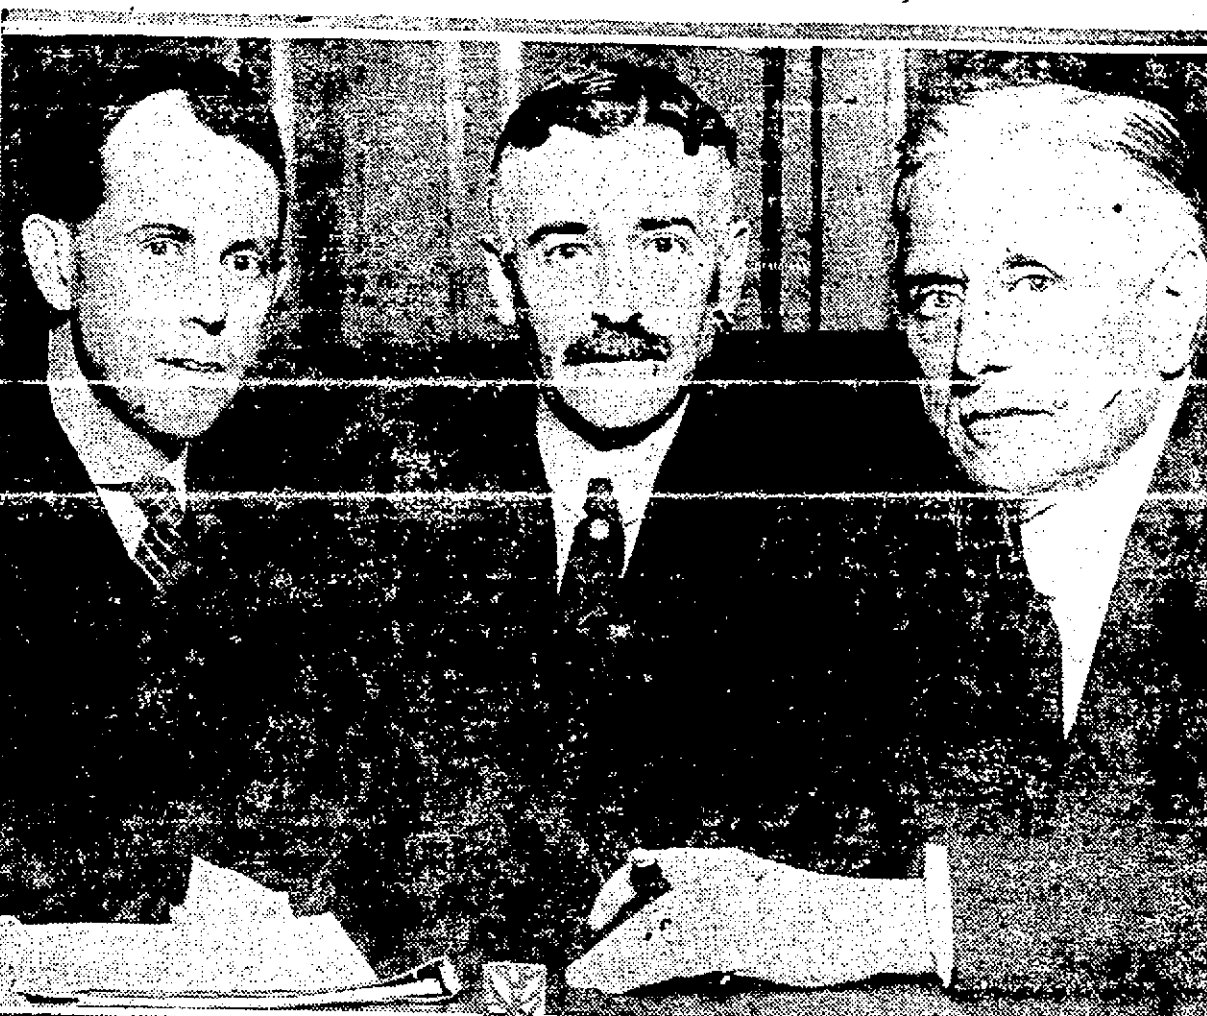

The witness had not figured the amount of increased revenue resulting from the 1-cent fare increase. He said the increase in fare had not caused a falling off of the number of passengers carried.

The actual operating revenue for the ten months of 1919 was \$4,780,609. The present annual payroll amounts to \$2,500,000, the witness said. The increases demanded would run it up to \$3,450,000, on the computation of the witness.

The witness reviewed the contractual relation between the union and the company, beginning back in 1907, and said that all the time up to the termination of the "original" working agreement, which remained in force from 1907 till 1917, the men received the highest pay of any traction crew in any city in the country except Butte, Mont.

The witness figured that the excess up

The witness reviewed the contractual relation between the union and the company, beginning back in 1907, and said that all the time up to the termination of the "original" working agreement, which remained in force from 1907 till 1917, the men received the highest pay of any traction crew in any city in the country except Butte, Mont.

The witness figured that the excess up

der the then prevailing wage over what the men would have received under the wage in force, the next highest paid system on the coast, amounted to \$150,000 a year. He said there had been a number of voluntary increases during the last year and that the last one occurred just prior to the 1917 demands for a new agreement.

Unable to agree upon a new schedule, the matter was submitted to arbitration and in December, 1917, the award was made giving the traction men a scale of 30, 32, 34, 36, 38, 40 and 42 cents an hour. The increases coming in at the end of each six months. The Key System men received an award of 43 the first year, then 44 and then 45. The total award of back pay was \$59,000. Following that the company made two voluntary increases, raising the minimum men from 30 to 32. The award cost the company an annual increase of \$122,000; the first voluntary increase cost them an additional \$10,000 and the second increase an additional \$61,000.

In September, 1918, the men demanded a new agreement and an 8-hour day. The dispute then arising was referred to the War Labor Board. The men demanded a minimum of \$5 a day for the traction men and the scale in force on the Southern Pacific local lines for the Key men.

The Labor Board awarded them 43 cents an hour for the beginners in the traction division, to 45 cents for the second and third years. The Key System men were awarded 45, 48 and 50 cents. The award cost the company \$403,300 increased payroll. The award was to run till an official proclamation of peace, subject to being called up for review after six months. It was explained that the War Labor Board was not functioning when the October strike was voted.

Further testimony was offered on behalf of the demands of the men, after D. S. McNamara, the principal witness concluded. Frank H. Riggs, a Key conductor, told of working conditions and why the Key men

demanded \$7 a day. It was said that for the same service on the Southern Pacific local lines the conductors and motormen receive main line conductor and engineer pay. The witness was earning \$30.88 a week, working an average of 10 hours and 40 minutes. R. H. Burman, for nineteen years an employee, is receiving, according to his testimony, \$28.80 a week. J. E. Lloyd, a Key motorman, working as an emergency man thirty days a month, earned, he estimated, \$130 a month. He said a switchman, at the mole, receiving the same pay as a motorman, hauls the loaded trains.

ASK ELIMINATION OF "EMERGENCY" MEN

D. S. McNamara was recalled to explain about the so-called "emergency" men in the traction division. He said the men objected to them being there and one of the demands is their elimination. He said they are boys, clerks, anyone who can put in an hour or two Saturday night and Sunday, and that they are given the same pay as the regular men.

Justice Olney had difficulty clearing up the distinction between the emergency men, to whom the union objects, and the extra men, whom they want guaranteed on a basis of \$130 a month in their October demands.

It was explained that the extra men are there working for seniority and regular runs, while the emergency men are outsiders. He testified that the extra men were never employed.

The union asking that the award be made to run for six months, declaring that the cost of living is increasing so rapidly that a working man cannot see more than six months ahead.

William A. Spooner, secretary of the Central Labor Council, gave figures as to the increases secured by the men after the war. He is preparing a schedule of these figures to submit to the board.

Under an opinion to City Auditor Harry G. Williams this morning by City Attorney H. L. Hagan, Sergeant of Police Thomas F. O'Neill, recently indicted with former Chief of Police J. Henry Nedderman, will not be able to collect any salary for the greater portion of the time during which he was under suspension, while grand jury indictments were pending against him.

O'Neill, who then held the rank of corporal in the department, was suspended on May 2, following the finding of the true bills. On June 30, while the cases were still pending, the rank of corporal was abolished in the Police Department. On November 7 O'Neill and Nedderman were reinstated in their civil service positions when the indictments against them were dismissed. Nedderman assuming his former civil service rank of sergeant and O'Neill being reinstated with promotion to the same grade.

Nedderman and O'Neill then made demand for their salaries, which were held under suspension until their appeals were upheld last week by the Civil Service Board. O'Neill asking for the pay of a sergeant during the period. According to the decision of the board, Hagan said, O'Neill will be able to collect his corporal's salary from the time of his suspension until the time of the abolition of the rank of corporal on June 30, but he is entitled to no salary at all between the latter date and the time of his reinstatement, because he made no demand when the change was made for the higher rank and his name reverted to the eligible list.

Woods told the gun-man he would give the proposition due thought. The latter advised him to give the proposition "serious thought." "This ain't no monkeying business," the man with the gun told him, as they parted.

Robert Lynch was brought to the city prison charged with holding a man who threatened Woods with his life or job. Lynch is held for investigation.

PIEDMONT WOMAN BANKRUPT.

Mrs. Frances Hill, residing in Piedmont, today filed a voluntary petition in bankruptcy in the United States district court, listing her liabilities at \$1540 and her assets consisting mostly of household goods, furniture and wearing apparel, at \$750.

The granting of Shantung and other concessions, he pointed out, afforded such an outlet. He added that Japan would come into the League of Nations only on condition of this grant, and that it ought, from the standpoint of peace, not to be a party to that league.

Chamber of Commerce tabulations today showed that the annual membership luncheon was attended by more members for yesterday afternoon at the Hotel Oakland than any previous event of the kind. The presentation by United States Senator James D. Phelan of his letter that the League of Nations would assist in solving the Japanese problem in this country was the other outstanding feature of the luncheon which was held in the afternoon of members today.

Taken together with the statement of Managing Director Joseph E. Caine in the annual report which he presented, that the Chamber had gained more than half a thousand new members in the year, the attendance was additionally indicative of the organization's steady growth.

Senator Phelan's consideration of the Japanese question was supplemental to his promise that naval base soundings would start soon and his assurance that only this stood preliminary to actual work on the base on the Alameda site.

Discussing the Japanese problem, he gave figures to indicate that the Japanese population of the state was steadily increasing. The inhibition upon picture brides, he declared, would help reduce this rate of increase, but not put it altogether. The only means of solution was to persuade the Japanese to scatter through states farther east or to return to their native country.

"But Japan," he continued, "is so overcrowded that unless an outlet to the Japanese is provided they will not return there."

The granting of Shantung and other concessions, he pointed out, afforded such an outlet. He added that Japan would come into the League of Nations only on condition of this grant, and that it ought, from the standpoint of peace, not to be a party to that league.

GOVERNMENT FOR IRELAND TO BE LIBERAL

LONDON, Dec. 20.—The proposed Irish bill, which Premier Lloyd George will outline in the House of Commons Monday, will, it is believed, forecast a government for Ireland, analogous to the State governmental system in America. It is understood to provide for separate parliamentaries for Ulster and southern Ireland, respectively, with a superior body chosen by both sections. All of the bodies are to be responsible for imperial affairs to the British Parliament, to which representatives would be elected, as the States elect members to the American House of Representatives. The idea will be to give a large amount of autonomy to each section of Ireland with thoroughly easy machinery providing for their commission as soon as they desire to unite, the bill being intended to pave the way for elimination of the idea of the partition of Ireland. To a combined Ireland, it is indicated, even greater powers may be given than are proposed for the separate sections.

GOVERNMENT TRACKS FRENCH'S ASSAULTS

DUBLIN, Dec. 20.—Government police today are engaged in tracking down the men who yesterday attempted to assassinate Viscount French, Lord Lieutenant of Ireland. Belief is expressed that evidence has been obtained that may result in the arrest of several persons.

The absence of independent witnesses and the quickness of the attack caused a number of discrepancies in accounts of the occurrence. It was at first said that Policeman Loughlin, who was a bodyguard of French, had been killed, but it developed he was only wounded.

Detective Sergeant Halley, who was also wounded, is at the vicarage at home. He was a bodyguard of Viscount French, succeeding Constable Lloyd, who was recently killed by parties unidentified.

Most recent reports are that the motor car in which the Viscount rode was not struck by bullets, the attacking party centering its attention on the automobile immediately behind, which was empty. This car was shattered by a bomb.

WOULD LET SINN FEINERS PAY PENALTY FOR INDEMNITY SERVICE. LEASED WIRE TO TRIBUNE.

LONDON, Dec. 20.—"Let there be civil war in Ireland, for there is no alternative for the British government save surrender," said the Morning Post today, in commenting upon the attempt to assassinate Lord French, Lord Lieutenant of Ireland, near Dublin, yesterday. "Let the Sinn Fein leaders suffer the consequences."

It is imperative that the government clear out the cursed gang of irreconcilables in Ireland," said the Daily Graphic.

The Chronicle, which is generally regarded as the organ of Premier Lloyd George, does not express any surprise over the attack.

The attempt to assassinate Lord French will not modify the premier's forthcoming statement on Monday, regarding the new home rule measure for Ireland," said the Manchester Guardian.

BY UNITED PRESS.

LIVERPOOL, Dec. 20.—If there was any possible basis for "terms of peace" with Ireland, "few things would be too big a price to pay" to achieve a peace, declared in an address here last night. Bonar Law spoke at a conservative mass meeting shortly after receipt of the news of the attempt on the life of Viscount French. The attack upon French was particularly significant, said Bonar Law.

Brilliant Party To End Women's Year's Work

BY EDNA B. KINARD.

The year will end gloriously for California branch, Association of College Alumnae, which has done its good deeds and takes its reward in the Christmas jinks and brilliant party for which plans are being made for Saturday night. Berkeley is to welcome the college women, claiming with Oakland and San Francisco that the association has followed a rather hard and fast rule that alternate meetings shall be in San Francisco and Oakland. The institution of Berkeley into the established custom gives promise of a possible triangle which must be reckoned with.

Even in the midst of their merry-making the little girl far across the sea who has been adopted for their own is not to be forgotten at the Christmas tide. A gift-box will be opened for her and a lot of silver will be translated into clothes and food and other necessities for the young lassie whose father was killed while fighting for France. The University women have gone into partnership with the child's own mother they, too, provide an education and clothing for her while the French war widow provides the care. The foster parents pledged themselves to maintain the 14-year-old girl for a period of three years.

Little Red Stockings are pouring into Tait & Penney's department store, and J. P. Hink & Son's store in Berkeley today, promising a comfortable treasury to theameda County Baby Hygiene Committee, whose large task is to provide milk to infants who otherwise could not receive it. Mrs. A. B. Colton is chairman of the committee and will receive gifts from the public.

Mrs. E. R. de Rome of this city, a trustee of the Oakland Free Library and prominent civic worker, has been named director of the Speakers' Bureau, Second District, California Federation of Women's Clubs.

San Francisco center, California Civic League, is reported to stand unique among the women's organizations of California—for that matter, of the United States. It has a treasury of something like \$6000 and its membership is upward of 2000 prominent women whose dues are \$2.50 a year. An executive secretary is employed at a salary of \$125 a month. When a prominent man or woman comes into the city the women are mobilized for a happy reception to meet them, the frequent feasts being movable as to time. The funds have been accumulated largely from the luncheon.

Mrs. W. R. Phillips of Portland, a past president of the San Jose district, California Federation of Women's Clubs, has been named by Governor William D. Stephens as a member of the State Board of Education.

is a student at the state university and the secretary of the Associated Women Students and a member of the Phi Mu Sorority and Trible Clef Society.

Mr. and Mrs. Victor Furth (Valance Cowan) returned this week from their wedding trip and the time being will be guests of Mr. and Mrs. Gordon Cowan in Berkeley. They will then go to Winters, where they are to establish their home in the future. Miss Hilda Cowan, sister of the bride and niece of Guilford Meredith, will spend the holidays in the southern part of the state as the guest of her fiancée's mother, Mrs. H. B. Deaver, at Ukiah. Miss Cowan and Guilford Meredith are to be married in March, since Miss Cowan has just completed her course of study at the University of California.

HEALTH OFFICIALS WARN THE PUBLIC

Prompt Treatment of Every Case of Cold is Advised

When the flu epidemic swept the country last year it was generally agreed by medical men that there was a danger of its becoming a winter. So far it has not swept with the violence of last year but there is hardly any large community in which it is not present to some degree.

In view of the ever present danger of the disease breaking out, health authorities are everywhere advising the public to observe extraordinary precautions. One of their first advice is to treat all cases of colds as dangerous, the conditions in such cases being similar to those in the first stages of the flu.

For the treatment of colds there is no preparation equal to Grip Fix, which may be secured at any drug store. It is not a patent medicine but a treatment which would be approved by your family physician. The drugs it contains are stated on every box and cover just the drugs needed in such cases. Grip Fix is not a new preparation as it has been in use for many years.

It is a wonderful preparation during last year's flu epidemic. It comes in convenient capsule form and when taken will be sure to get Grip Fix as there is nothing "just as good." It sells for 25c per box and is worth its price over and over when a cold appears. On sale at all druggists. —Advertisement.

REVELATIONS OF A WIFE

(Continued from yesterday.)

"And how is old Dick? Katherine said he was at an aviation camp. How is he making it? Does he like flying?"

The old feeling of humiliation swept over me. I felt a savage distaste for the words of explanation I must utter. The feeling made my voice frigid.

"Katherine was mistaken," I said. "Dick isn't flying. He's making illustrations for a new aviation serial for one of the magazines."

"Oh!" Jack said lamely, evidently comprehending my embarrassment. There was something else in his tone, also, something which I saw collected in Lillian's eyes, when I voluntarily glanced at her, without knowing why I did so.

The next instant Lillian had swept from her face and eyes every vestige of expression. But I couldn't forget what I had surprised in her eyes. It was a look of troubled comprehension, and all at once I realized what I should have known before, that no magazine commission would keep Dick so long. There must be some other—perhaps less creditable—reason for his absence than the one he had given me.

I had no time for thought upon the subject, however, for Jack's next words gave Lillian the opportunity she desired.

"I would like to see her if she is." (To be continued.)

ASK THE TRIBUNE

A Department of Questions and Answers

(Editor's Note: Questions pertaining to the application of the law to specific instances where possibility of obtaining damages is in mind, will not be answered in this column. In such cases a lawyer should be consulted.)

Editor THE TRIBUNE: Will you kindly tell me whether the system of "single tax" is being used in any part of the United States or in any other country? If so, is it being carried out successfully?—A SUBSCRIBER.

The single tax system wherein improvements on property are not taxed and a tax on land values only is substituted is used in the provinces of Queensland and New South Wales, Australia and Manitoba, and Alberta, Canada, subject to local modifications. The city of Everett, Washington, in this country has had partial application of this system since 1912. It having been adopted by a plan in which the tax on improved property was reduced by quarters through a period of four years. Local option is allowed in many of the West Canada provinces and thirty-five municipalities have adopted the plan in this manner. The success of the plan is debatable.

Editor THE TRIBUNE: Kindly inform me through your question and answer column why patients at the County Hospital do not receive their mail, both first and second class. The number of the patient's bed and ward was on the mail.—MRS. L. L. 941 Twenty-sixth street, Oakland.

The superintendent at the hospital says no complaint has been received there of failure of mail to arrive, but that many persons in such institutions are constantly expectant of mail arrival, and many questions are asked. The mail is distributed as soon as received, it is said. A communication setting out the specific facts and addressed to Dr. R. G. Broderick, superintendent, would receive attention.

Editor THE TRIBUNE: Can the children of an aged father who is unable to support himself be compelled by law to care for him? If so, who would be liable—sons, daughters or both?—R. W. E.

If the children are able to support parents who cannot support themselves then failure to do so is a misdemeanor, punishable by fine or imprisonment. Sons generally are in a better position to care for their parents, but a daughter, if capable also is liable.

SMILES

Lady—Here, my poor fellow, is a quarter for you. It must be dreadful to be lame, but I think it must be worse to be blind. Tramp—I is, mum. When I was blind they was always handing me counterfeit quarters.

He—I never eat lobsters myself. Miss Gwace. She—I'd think you'd feel like a cannibal if you did.

Words of the Wise

If there is any one power in the world that will make itself felt it is character. There may be little culture and stender abilities, yet if there be a character of sterling excellence it will demand influence and respect.

It is not all who turn their backs that flee.—Danish Proverb.

Big mouthfuls often choke.—Italian Proverb.

You Can Strike Washday from the Calendar

What is it makes washday the most wearisome of domestic ordeals? Unquestionably it is the reek and smell; the boiling and tubbing and the sloshing of mussy water.

For while methods have been devised for making the manual work of washday less, these, other unpleasant features must remain as long as washing is done in the home. And the problems of help and laundresses likewise remain.

Our laundry service is the one means by which you can strike washday from your calendar. We unburden you of all the objectionable features of washday in the home.

Moreover we give you leisure for more agreeable household duties; leisure for more service to the children and to Friend Husband; leisure for the many important services that are beckoning women everywhere.

You will take pride in the snowiness of your linen, after we have laundered it. You will find joy in the fluffiness of towels, in the refreshing cleanliness of everything.

Let us help you strike washday from your calendar. Telephone us and our driver will call for your family bundle.

STOCK PRICES

BECOME FIRMER; TRADING QUIL

NEW YORK, Dec. 20. — Price tendencies were uncertain at the opening, but soon became firm on belief that the Senate would take prompt action regarding pending railroad legislation. Further recovery of the British exchange rates was another constructive factor. Trading was dull, however, consisting mainly of the customary week-end settlement. Cattle, oils and steel advanced 1/2 to 3 points, but reaching sales cancelled or materially reduced. Iron and steel closed irregular. Sales approximated 400,000 shares.

LIBERTY BOND PRICES

NEW YORK, Dec. 20. — Liberty bonds were dull, with prices 1/2 to 1/4 below par. The 4 1/2% bonds, first issue, were 99 1/4 to 99 1/2; second issue, 99 1/4 to 99 1/2; third issue, 99 1/4 to 99 1/2; fourth issue, 99 1/4 to 99 1/2; Victory bonds, 99 1/4 to 99 1/2.

Nation-Wide Campaign For Funds Slacks

While there is a very strong interest in the nation-wide campaign of the Protestant Episcopal Church throughout the eighth province, results are a trifle slow owing to the fact that many of the dioceses have extended their drives into January.

An interesting report from the nation-wide headquarters in New York City says:

"Partial returns reveal strongest showing to date in the south. Southern Virginia passed \$600,000 mark and expects between \$800,000 and \$1,000,000. One hundred and seventy parishes in the Diocese of Virginia pledged \$270,000 annually for three years. Prospects of \$300,000 quota assigned reported for the Diocese of Pennsylvania. One Philadelphia church reported \$104,000 pledged. Another reported two subscriptions totaling \$22,000 annually. Oregon reports twenty-five of forty-one parishes with total of \$74,000."

In connection with the showing thus far throughout the nation, National Campaign Director Dr. Patton states:

"Naturally we have heard thus far from comparatively few dioceses and communities. These reports come from units of the church which made the most efficient preparation for the campaign. Great majority reports thus far received show quotas subscribed or over-subscribed. It is to be anticipated that reports from large part of church will be delayed several weeks at least."

In view of the fact that the daily lives of the church are being centralized in the hands of a few men, the centralization of authority in the hands of a few men is a fact. For a term, Right Reverend William D. Phelps, D. D., bishop of the diocese of California, was asked to discuss this change. His Grace very kindly consented and the following letter from him is published, believing that it may be of general interest to the clergy and laity, who were not at the Detroit convention, and to whom the facts may be informative.

The enactment of the new canon at the recent general convention in Detroit was simply in the interest of making more effective the central organization of the missionary, educational and social service work of the church, in its tradition of American democracy. Instead of a large separate board for the administration of each of these departments an elected council of twenty-four, with a bishop elected to preside for a term, has been constituted. This one body is to be vested with the powers heretofore committed to the three boards mentioned above and to provide for the subdivision of its work into five departments, including the two additional departments of evangelism and publicity. Each of these departments can call to help in its administration the best of the members of the council.

correlation of the general work of the church, to some oversight and initiative in all the lines above indicated for the period between the triennial sessions.

"The new arrangement in no wise disturbs the constitutional freedom of the diocesan districts in themselves. It is only a body in the promising adjustment of the headquarters to enable it to concentrate and turn to best account the administrative authority delegated to it by the ultimate source of that authority in the house of bishops and house of clerical and lay deputies. The constitution of the general convention consisting of these two houses, which sit and deliberate separately, provides that in all deliberations freedom of debate shall be allowed. Either house may originate and propose legislation and all acts of the convention shall be adopted and be authenticated by both houses. The change then amounts to a more facile and flexible agency for handling the general business of the church under the representative democracy of the general convention."

"The vague and vain of the nation-wide campaign is an evidence of the state of mind and propaganda that can function from a central representative council with no baggage of canonical or other."

Bedtime Bible Stories for Children

HE most beautiful—really true—story in all the world! And what do you suppose it's all about? Why, a tiny little baby boy, born in a manger. But I'll have to start away back at the beginning of the story.

Once upon a time, long, long ago, there lived in that wonderful Holy Land we hear about in Sunday school, a beautiful young woman named Mary. And what do you think happened one day? An angel came right down from Heaven to bring her a message from God, and the angel told her the most wonderful news that ever was! It was so wonderful that Mary could hardly believe it was true. Now, what do you suppose it was all about? It was a message that a little baby boy would be born, and Mary would be the little baby's mother. And just think—the little baby was to be called "Jesus, the Son of God." And the angel told Mary that the little baby would become a great, great King, and that he would some day rule with the Heavenly Father away up in Heaven.

Then the angel went back to God.

And Mary—my, but she was happy. She was so happy that she had to sing, and so she made up a beautiful song to God, praising Him for His great goodness. And I think she must have felt just awfully proud and glad to think that God had chosen her of all women to be so blessed, and to have a dear little baby boy to care for, don't you?

Now, about this time Mary and Joseph, a good man, whom Mary had promised to marry, had to take quite a long journey into another country to pay a certain amount of money to the ruler of the city. And the name of this city was Bethlehem, Bethlehem!—how well we remember the name of that little city, don't we? Because it was in Bethlehem that little Jesus was born. So many people had journeyed to Bethlehem to pay their taxes, just like Mary and Joseph, that the city was full. All the houses and the hotels and just every place. There wasn't enough room for all the people.

Mary and Joseph tried to find a place to stay, and what do you suppose they finally found? A nice little clean barn, and there they stayed, and there was where little Jesus was born. Mary took her dear little son and wrapped him in a lot of nice, soft clothes, like little blankets, called swaddling clothes. But the little baby, who was named Jesus Christ, just as the angel had said, was warm and cozy. Then Mary put him in a manger—a little box almost like a crib. And the manger was all filled with nice, clean, sweet-smelling hay. Little Jesus snuggled down in the manger and took his nap. Just like any other tiny little, sleepy, baby-boy.

And Mary, the Holy Mother, watched over the little baby tenderly, just like any other mother, because she loved him so.

In this same country, away out in the fields, there were three kind shepherds taking care of their flocks of sheep and little lambs. And they watched over their flocks all night long to keep them safe from harm. And as they were sitting on the ground, under the clear, beautiful skies, an angel-messenger of God came right down to them. And he was so bright and glorious and so filled with light, that the poor shepherds were as frightened as they could be! But the angel said right away, "Fear not; for behold I bring you tidings of great joy, which shall be to all people. For unto you is born this day a Savior, which is Christ the Lord." Then the messengers said, "Three shepherds, who were called the three wise men, just where the little baby Jesus would be, lying in the manger, wrapped in swaddling clothes. And he finished giving them his message there came a loud, clear sound of singing from Heaven. And the song was sung by the angels, just lots and lots of them, more than we could ever count, and they were praising God with their beautiful voices. Just think how wonderful that was! And what do you suppose they said in their song? They sang:

Glory to God in the highest, and on earth,

After the angels stopped singing and the shepherds were all alone again with their flocks, they talked to each other about the wonderful thing they had heard and seen. Then they decided to go right away as fast as they could to Bethlehem to find the little baby. But just as they started, what do you suppose God did? He put a great, big, beautiful star, bigger than all the rest, and much brighter, too, right in the sky to show them the way! And as they kept walking toward the beautiful big star, it slowly moved right along toward the little barn where Jesus and Mary and Joseph lived. And finally the star stopped very, very still in the sky—and there it was, right over the little barn! And so the three wise men knew with joy that they had found the place.

They went into the little house and when they saw the dear little baby—the Son of God, who was to become so great and good—they fell on their knees and worshipped him. Even though they had come quite a long way, the wise men hadn't forgotten to bring gifts to the little Jesus. They opened their boxes, all filled with precious gold and sweet-smelling things. But the wise men didn't stay long; they hurried out into the city to tell everyone they met the wonderful story, so that they would know that the tiny baby boy was really and truly the beloved Son of God. Then when the people heard, they did just as the wise men had done. They came, bringing gifts to Jesus, to show how much they loved him. And that is why the whole wide world remembers the day on which the little baby was born in Bethlehem, and they call it Christmas. And, too, that is why we all give gifts to those we love, because so long ago they first brought gifts to the little Christ Child, our Savior.

"THE MAN ON OUR STREET"

Our town had a outdoor Chris'mas tree Saturday night. It looked great—gee, Ev'ry kid in town was there, An' all their folks, too, jus' packed the square. An' when the lights was turned on, they Was all struck in a heap—an' say. I never seen a thing so bright, All lit green n' red n' white. (Next day the Man on Our Street said, "Trees don't make Chris'mas, Ted," An—he was right).

The Santy Claus, he was a dandy, He giv' each kid a stockin'—candy. I guess I got a half pound, sure, Jim Dean got more—his folks is poor— Beside the candy there was toys, Some fer girls, some fer us boys. Some fellers wasn't too polite To crowd right in, n' push n' fight! ("Pshaw!" The Man on Our Street said: "Stockin's don't make Chris'mas, Ted," An—he was right).

They throwed some carols on a screen An' we all sang—me an' Jim Dean Tried to see which could sing the most, An' he did easy. (But he don't boast. That's why I like Jim—beater'n Lew, or Skinny Smith—but my his folks is poor!) I liked that song best, "Silent Night," I wish they'd sing it twice—they might! ("Well," The Man on Our Street said: "Singin' don't make Chris'mas, Ted," An—he was right).

I wish't they'd have one ev'ry year, So folks 'd come from far an' near— Not so much for the things they git; But to see the crowds n' the tree all lit, To feel 'at all the whole thing's for Is to make folks like each other more; 'At white the tree's a smashin' sight, The snow ain't all of it, quite! ("Now," The Man on Our Street said: "It's lovin' the kids makes Chris'mas, Ted," An—he was right).

Churches to Co-operate in Work Good Done at Home and Abroad

The Interchurch World Movement has been caused into existence by the purpose of developing a plan whereby the evangelical churches of North America may co-operate in carrying out their educational, missionary and benevolent programs at home and abroad. It has its beginning in a meeting held in New York City, December 17, 1918, in response to a call of the Foreign Mission Board of the Presbyterian Church, South. The one hundred and thirty-five persons in attendance unanimously agreed that the times demand a degree of efficiency and power on the part of the evangelical churches, which can be effectively secured only by the co-operation of all.

A committee of twenty was created to report a plan of organization and procedure. The report of this committee was received, and approved in turn by the Foreign Missions Conference of North America, the Home Missions Council, the Council of Church Boards of Education, the Sunday School Council, the Federation of Women's Boards of Foreign Missions, and the Council of Women for Home Missions. Each of these bodies heartily pledged its cooperation in making the plan a reality. More than sixty denominational and interdenominational agencies have endorsed the movement.

The plans of the movement were presented widely by means of a series of regional conferences, and much helpful criticism and many constructive suggestions were called forth. One hundred leading pastors, after a two days' conference at Pittsburgh in April, 1919, enthusiastically and unanimously approved the movement. An interboard conference of one hundred men and women from the twenty-eight communities and largely representative of the official denominational boards and societies, was held in Cleveland, April 30-May 1, 1919. Here the idea of the movement received the most careful consideration, and the conviction was unanimous that it was providential, necessary and imperative.

The Interchurch World Movement has set itself the task of discover-

ing and grouping the facts concerning the world's needs; of building a program of inspiration and education based on these facts; of developing spiritual power adequate for the task; and of securing enough lives and money to meet the needs. The facts are being ascertained by means of a world-wide survey and the needs of the world as revealed by this survey are being budgeted in terms of men and money sufficient to meet them.

The "Interchurch Bulletin" informs workers in the churches and in the movement of the latest developments in the program of the organization. Several periodicals—"World Outlook," "Everyland," "La Nueva Democracia," are published by the movement for the dissemination through the churches of information concerning the movement. Literature explanatory of the movement and designed to develop the spiritual resources of the churches, is being distributed by the movement.

The movement by means of training conferences for state leaders and pastors is preparing to carry the message of the world's needs to the laity. The laity is seeking to lay upon each member a personal responsibility with reference to the whole task. A great spiritual campaign will seek the enlistment of the entire life of consecrated men, and of money sufficient to carry to completion the whole program of the organization.

For economy and conservation in the work of the Kingdom, interdenominational co-operation which has been steadily increasing during recent years, is to be carried just as far as the condition of separate organizations will permit. But the movement does not in any way seek to displace or interfere with the autonomy and responsibility of all administration of the co-operating agencies.

In the financial campaign the funds raised among the several communities should be sent directly to the regular treasurers of such bodies. A central treasury, however, will assemble and report the financial facts of the campaign and

Making Own Christmas Presents Will Help Overcome H. C. L.

THESE CHILDREN from one of the Daily Vacation Bible Schools exhibiting hand-made gifts, claim to be partners of old Santa.

In these days when even Santa Claus is disturbed by the high cost of living it's a great thing to be able to make your own Christmas presents. Some clever women have been able to do this, but most people, especially mothers, could not because they did not know what to make or how to make it. This Christmas season, however, is different from all others, in that we have had around this bay region for during the vacation days of last summer more than seven thousand children of our bay cities learned all about Christmas presents, both what to make, how to make it and where to get the material. In fifty-one churches last summer plans were made to make the vacation days especially happy and helpful. You know, even a vacation grows tiresome after the first week unless you have something very interesting to do. After you have played ball on the same corner lot with the same bunch for five days in succession or when you have played housekeeping with the same group of girls in the same back yard for a week you are ready for some change of program.

PRESBYTERIAN CHURCHES AND SUNDAY SCHOOLS AND OAKLAND Y. M. C. A.

than the stirring patriotic airs and the best hymns of the church. "The Bible story—what most of the children counted the very best part of the program—was dramatically told and interesting from start to finish. The yells were led by different boys each day and the craft work—but that is a paragraph all by itself. In the craft hours the boys worked with scroll saw and hammer making all manner of toys and useful articles of household necessity. The girls were busy on dolls' clothes, aprons and caps for themselves and for others. Both boys and girls learned to weave pretty baskets of reed and raffia and cane, and to make hammocks. With the pieces of hand work as the older ones were of their more difficult ones.

ANOTHER ONE FOR MOTHER. On "I'll make another like this for my mother's Christmas present," some one said. And then others took up the idea and all over the city and into the different schools went this idea of making Christmas presents. When it came time for Vacation School to close there were many requests for "just one day more" so we can finish this. And this led to the "Continuation Schools" or Bible Craft schools in many churches with the thought of going ready for Christmas. So today hundreds of boys and girls are helping Santa Claus with his holiday work and some parents and friends are going to be delightfully surprised on Christmas morning with beautiful presents that loving and skillful young fingers have fashioned.

And this reminds us that plans are already under way for doubling the number of Daily Vacation Bible schools next summer and making a place for fifteen hundred young folks to learn all about making Christmas presents.

SPECIAL EVENT FOR BROOKLYN SUNDAY SCHOOL

On Sunday morning at the regular session of Brooklyn Sunday school special Christmas exercises are being arranged by Miss Ada Scherling, superintendent of the junior department. These will consist in recitation drills. Mr. Robert Todd, the leading bass in the Brooklyn vested choir will sing a Christmas song as a surprise to the children. A gift service is also being arranged. At the event of the year a child of each class will bring the gift of each class in a gift box decorated for that purpose. On Monday night the Christmas celebration will be held. The children will sing in a cantata "Stock the Shepherd." After this is rendered Santa Claus will appear with some candy for each one of the children. These Sunday school exercises are the event of the year.

Following is the program: "Struck the Shepherd," C. H. Lowden; "Save Us, Eternal God," children's chorus; "To the Hills," children's chorus; "Night of Wonder," twelve Chinese girls; "With Joyful Tidings," Misses Elizabeth Scott and Eleanor Canham; "Glory to God on High," Miss K. UNIVERSAL TRUTH.
The Church of Universal Truth, which was founded and organized last April on the occasion of the venerable Bishop Mazziniananda's 74th birthday, and incorporated last August, under the laws of this state, has proved the wise judgment of the bishop in selecting Oakland as his headquarters, for this church, which has been steadily growing in numbers, each afternoon and evening large audiences being attracted to listen to the philosophical discourses on religion, philosophy and science. The church now has 57 charter members. Next Sunday the bishop will speak in the afternoon on "The Church of Universal Truth." The bishop lectures on "Spiritualistic Physical and Mental Phenomena," a subject now creating intense interest through the articles published in the Sunday TRIBUNE. We understand the venerable gentleman is preparing some articles for publication in this subject, having studied it in many years among the masters of the Great White Lodge in the Himalayas and Thibet.

The Senior B. Y. P. U. with its new recruits from the Intermediate B. Y. P. U. will have its meeting at 6:45 p. m. in the Sunday school assembly room. The nominating committee, consisting of the following: Vernon Henry Benson, Anna Schmidt, Alvin Lusk and Esther Petersen, will make their report of the nominations for the new officers of the Senior B. Y. P. U. and the election will follow. At the same hour in the Sunday school primary room about thirty students have been invited to the church for their reorganization. Counselor Watson and the pastor will be present and a large response to the invitations sent out to the Intermediate and Intermediate B. Y. P. U. is expected. Let all the boys and intermediates be on hand.
The Twenty-third Avenue Baptist Sunday school will have their Christmas program on Tuesday evening, December 23. Mrs. Grant D. Miller is chairman of the committee which is arranging an interesting program. "Why Christ Came" will be the subject for the prayer meeting on Wednesday evening, December 24. REV. ZIMMERMAN SUNDAY SERMON FOR CHRISTMAS

Christmas services will be held Sunday morning at the 11 o'clock hour at the Melrose Baptist church. The pastor, Rev. H. D. There will be a Christmas topic, "The Christmas Message and the Christmas Spirit," with Mrs. James as leader. All young people are cordially invited to these Christmas services.
At 7:15 there will be a union gospel service. Professor Earle Linsley of Mills College will give an illustrated lecture on "How Far Can You See?" or "God's Glory in the Skies." This lecture is worth hearing. The slides are of the very best, and Professor Linsley is an authority on the subject to be presented to the eye as well as the ear.
The High Street Presbyterian church will unite in this service. The church ought to be crowded to hear this lecture.
The Christmas exercises by the Sunday school will be held on Tuesday evening, December 23. The committee is in charge of the program. The children will speak, sing and have their own way with the Christmas tree decorated, and gifts for the smaller tots. Sunday School

An evidence of the religious spirit and faithfulness of the members of the church is shown by the large average attendance of the Sunday-School. With an enrollment of 300, the average attendance is 250. The Bethany Circle (the women's class) is the largest class of the school. A special Christmas program, in which every department will be represented, will be given December 23.

Men's Club

It is often charged that church activities are for the very young and for the elderly, but the Men's Club of the First Christian Church is a body of representative business and professional men who meet monthly for a banquet and a careful discussion of the great problems of the day and their solution in harmony with practical Christianity.
Noted speakers are invited to address these meetings, and professional and amateur talent gladly contributes the entertainment. That prevents the evening from assuming too grave a tone.
So the Men's Club seeks an understanding of work-a-day problems that will help to apply practical Christianity in their every-day lives.

Christian Endeavor

The Intermediate and Senior Christian Endeavor Societies are organized for the spiritual development and salvation of the young people. They receive information regarding the systematic use of the Bible and also training that will make them efficient in Christian service. But they also are given the opportunity to enjoy and develop their social talents.

WARD MEMORIAL

Ward Memorial Christian Endeavor is busy making plans for Christmas caroling. Members will start in a body early Christmas morning and spread glad tidings, especially to the aged and the sick who are unable to attend church services. The leper and other wards of the county infirmary will also be visited later in the day. This society of the Ward Memorial Congregational Chapel is perhaps the youngest in the county, having been organized in August of this year. The members have been active and the membership has grown until the original handful has been almost tripled.

Ward Society extends to all societies everywhere heartfelt Christmas greetings.

To last year, there will be a "Twelfth Night" pageant, in which the splendor of the three Eastern kings and wise men, famous for their devotion to the birth of Christ, will be blended with the beauty of the shepherds who watched their flocks by night. AN OLDE CAROL

GOD REST YE MERRY GENTLEMEN
God rest ye, merry gentlemen: let nothing you dismay.
For Jesus Christ, our Saviour, was born on Christmas-day.
The dawn rose red over Bethlehem, the stars shone through the gray,
When Jesus Christ our Saviour, was born on Christmas-day.

God rest ye, little children; let nothing you affright.
For Jesus Christ, our Saviour, was born this happy night.
Along the hills of Galilee, the white flocks sleeping lay,
When Christ, the child of Nazareth, was born on Christmas-day.

God rest ye, all good Christians, upon this blessed morn,
The lord of all good Christians was of a woman born;
Now all your sorrows lie doth heal, your sins lie takes away.
For Jesus Christ, our Saviour, was born on Christmas-day.

EVANGELISTIC MEET SILENCES ALL SCOFFERS

Emmanuel Presbyterian Church, at Forty-ninth and Webster, at which Rev. Alvin M. B. is the pastor is just now in activity, due to evangelistic meetings conducted by the church. The meetings have resulted in several conversions and a general uplift in this neglected section of the city. The former life conversion and subsequent services of Arthur Dowie are a standing challenge to skeptics of all shades, and scoffers are silenced by his practical reasoning and virile preaching.

Christmas exercises at this church will include a tree and gifts for the Sunday school of 155 members, together with the rendering of a cantata by the scholars, under the direction of Professor Parker and Mrs. Helena Harrison. Special decorations, original features and an enlarged orchestra will be provided for the Christmas observance, which will take place on Tuesday evening at 7:30. The "kids" for a mile around are looking forward to these exercises earnestly and expectantly, says one of the members.

The newly organized Men's Club has taken over much of the detail of work, and bids fair to include many in the district who have not been interested in church work.

Mr. McNeal and Mr. Warren are the managers of the new club. Being in the center of a large public school district, Emmanuel is reaching out for young living, and good home influences in all the region around the church. To this end the Men's Club will work to foster the social side of church life, and attract the younger element.

BAY CITIES JOIN IN EPISCOPAL CAMPAIGN

Inspired by the purposes of the great nation-wide campaign now on within the Protestant Episcopal Church of America, Episcopalians of the Diocese of California are earnestly carrying the message of the campaign to each communicant of the church in this diocese.

Dean Edgar F. Gee of the convocation of Oakland is chairman of the California diocesan campaign committee. In his work he has received the hearty co-operation of all the Episcopal parishioners of the bay counties.

The nation-wide campaign now on within the Episcopal Church is primarily a campaign for spiritual strengthening and church awakening. It is a call to service.

For the modest amount of three cents per day communicants of the California diocese will contribute their quota to the \$42,000,000 being sought by the church nationally, to carry out its great forward three-year plan. While many of the parishes of the California diocese are now busy with their campaign many others will continue their work through January.

It is planned before the conclusion of the campaign to have ceremonies at the historic Prayer Book Cross in Golden Gate Park—picture of which is given herewith—as an Episcopal shrine in commemoration of the nation-wide campaign. The great cross was built by George W. Childs of Philadelphia to commemorate the first ceremony by the prayer book in the English language on the Pacific Coast. This was in 1579 when Chaplain Fletcher of Sir Francis Drake's expedition said prayers at the landing of the expedition at what is now known as Drake's Bay. The idea has been put forth to make this the first of a series of national Episcopal shrines to be consecrated at various points across the great Lincoln Highway, much after the manner of the shrines of the Old World.

FESTIVITIES AT THE CHURCH OF THE ADVENT

At the Church of the Advent on Sixteenth street and Twelfth avenue, the services on Sunday will partake of a festive character. The morning sermon will be on "The Incarnation of the Word," and in the evening on "The Mission of the Baptist." Seasonable music will be rendered by the vested choir, which is under the direction of B. W. Bours, with Mrs. E. M. Becker as soloist and Mrs. W. G. Facke, organist.

As a feature of Christmas Sunday, a manger service will be held at the Sunday school hour. The gifts of the young people will be sent to the charitable institution. The Holy Communion will be celebrated at 8 o'clock Sunday morning. All services will be conducted by the rector, Rev. Isaac Dawson.

A carefully prepared musical program of a high order will be rendered under the direction of B. W. Bours on Christmas morning, at 10 o'clock. The program will be composed by the J. C. Isaac Dawson and every communicant in the parish will receive the Eucharist, either before 8 or the 10 o'clock service. The nation-wide campaign effort has aroused much interest in the work of the church in the parish and unusually large congregations are expected to participate in the delightful services of the Christmas season.

College of Religion Has Long History

Pacific School of Religion is one of the oldest educational institutions in California. Founded in 1886, it has developed from its beginning with one professor and half a dozen students to a fully organized institution with seven professors, offering the subjects required in preparation for religious leadership in various fields of service, such as the ministry, foreign and home missionary work, religious education, social service, and the Y. M. C. A. and Y. W. C. A. secretariats. It has nearly 200 alumni and has had a part in training hundreds who have "gone forth" into the world. In 1919 it was a landmark in the history of Oakland where Merritt Hall, a new standard of religious education, Berkeley has continued its development so as to meet the social and religious needs of the modern world.

During the year 1919 Pacific School of Religion has taken the first step in advance toward a much larger service. Early in the year a gift of \$100,000 from General W. H. C. Evans, became available. With other property which became available during the year this made possible the establishment of two new departments. Dr. Herbert E. Evans, a graduate of Stanford with a doctor's degree from the University of Chicago, has been elected to the position of professor of pastoral service and director of the new department of the school. He is a graduate of Amherst and Hartford Theological Seminary and has been for fourteen years a missionary on the island of Maui, where he took a most active part in all community affairs as well as in the direction of the Hawaiian Board of Missions. He is in demand as a speaker at denominational and interdenominational gatherings.

These two additions to the faculty have made possible an enlargement of the school's activities. Professor Dodge is organizing and extending the services of the institution to the bay counties and the northern part of the State have requested the school to direct the further education and training of their young ministers. Professor Evans is laying far-reaching plans for the development of a School of Religious Education which will train both lay and ministerial workers to become parish officers of religious education, assistant pastors, teachers of Biblical literature and religious education in colleges and to enter the many opportunities now open in this field.

Other members of the faculty have been busy in various lines of activity outside the classroom. Dr. Buckham, Professor of Christian Doctrine, has just received copies of the latest book, "Progressive Religious Thought in America," published by Houghton-Mifflin. Professor Bader, the Old Testament Department, has been busy preparing a complete edition of John Muir's published and unpublished works and has been widely on Muir and on Biblical subjects. Professor McCown of the New Testament Department was for some time Director of Missions Work for the Western Department of the National War Work Council of the Y. M. C. A. covering several western states. Since the opening of the school year he has been conducting various outside classes and courses of lectures discussing the application of the teachings of Jesus to modern social problems. Professor Tolson of the Church History Department spent the year on leave in the service of the Y. M. C. A. and part as a worker in the shipyards. He has since been trying to present the Christian point of view to both sides of the industrial controversy. Professor Dodge and Professor McCown are in charge of the Community Survey of Berkeley under the Inter-Church World Movement.

In spite of a serious illness Professor Nash has developed large plans for additional usefulness which it is hoped can be announced in the near future. The alumni and former students of the school served their country well during war time in the Y. M. C. A. the Red Cross and in the army. Three graduates have gone into foreign missionary service during the year. Others have received important positions in the country.

SD AVENUE M. E. CHURCH.
A full church at the eighty-third Avenue M. E. church greeted the Rev. Fay Donaldson and William E. Kall for a second Sunday evening service of united work of sermon and lecture with views of the life of Christ. There were also violin solos, songs and other music, and by request of the people this will be continued. This style of the Community Survey was conducted Sunday, the 21st. A beautiful Christmas cantata will be given the day after Christmas, conducted by Mr. Dulio, to which all are welcome.

QUAKERS' WAR WORK IS KNOWN WORLD OVER

The work of the Society of Friends, commonly known as Quakers, in alleviating the sufferings of the civil population of devastated regions of Europe during the war, has been widely recognized. They are a comparatively small society, but their steady adherence to the peace testimony voiced by their society from its very beginning, has given them a neutral position that makes their help acceptable to all. France and Belgium more than once expressed their gratitude to the Friends' service committee and now a further opportunity for helpfulness has come to them through the request of Herbert Hoover, that the Friends' service committee handle the distribution of food to German children.

The workers of the service committee are unpaid volunteers largely, but not entirely members of the society. Several Californians were with the unit sent to France during the war and Catherine Cox of College Park Meeting, San Jose, has been selected as one of the delegates to Germany. A letter was received from Mr. Hoover by Mr. Rufus H. Jones, American Friends' relief committee, congratulating the Quakers on their fine work and emphasizing the importance of the work to be done in Germany.

HENRY FRANK TO SPEAK AT HOTEL ST. FRANCIS

In the morning he will continue the series interpreting the texts of Omar Khayyam's "Rubaiyat," the text for the day being "The Moving Finger writes, and having writ moves on: nor all our piety nor wit." At night in the series on world reconstruction, the subject will be "Great Britain's Social Revolution and Great Labor Program." On Tuesday night at 8 p. m. Frank will discuss Marx's "The Communist Manifesto." On Friday night the psychology lecture will be on "Mental Healing and the Electro-Therapy."

Along with the other European countries in need. A number of women belonging to the Oakland meeting of the Society of Friends, and others who are interested, meet once a week to make garments, which are forwarded to Philadelphia, to be sent to Europe. They would gladly welcome any help in this work, either in the sewing or for the garments. It is a practical work for reconstruction and reconciliation. Particulars may be obtained from Hannah H. Eskigie, phone Lakeside 1907.

Shows Divine Science Work During Year

During the last year the church and college of Divine Science have been doing faithful work in their various fields. In February the church granted leave of absence to the ministers, Rev. Helen E. Close and Rev. Ida B. Elliott, that they might spend three months in Denver, assisting in the activities of the church and college there. During their stay the congregation and trained students carried on the work most ably, assisted by Miss Ruby Farnham, as their leader. Not a single session of the regular morning, Sunday morning, Tuesday morning and Wednesday evening, has been omitted during the whole year, and all have been helped while the healing work has been blessed those who need the realization of health, happiness and faith. Miss Elliott's return in May brought fresh inspiration and a new impetus from contact with the eastern work. The annual conference, which was held in the fall, was in September a practical course of lectures on applied psychology, was begun on Tuesday evening, and will terminate in December, to be followed by an efficiency course of equal value to eastern people. The members are looking forward with eager anticipation to the special holiday services, the children's Christmas service, December 21, the musical program arranged by Mrs. Olive Reed, for December 22, the watching service on December 31, and the week of consecration beginning January 4.

REV. REED TO SPEAK ON 'JOY OF CHRISTMAS'

Morrell, of the Unitarian School for the Ministry, will address the members of the adult class of the Sunday school, 10 o'clock. The subject of his address will be "The Religion of the Egyptians." Dr. Morrell is a well-known lecturer on books, and has recently finished a new work on "The Philosophy of Religion." He is an interested speaker. The public is invited.

The Christmas entertainment, of the Sunday school, will be held on Tuesday evening in Starr King hall. Parents and friends of the pupils are invited to the Christmas party.

The music for Sunday is as follows: Organ prelude, "Berceuse" (Neruda); soprano solo, "All Glory to Thee, O God" (Hubert); Mrs. Emma B. Eckert; offertory, organ, "Cantata of the Night" (Buck); hymn, "The Three Kings" (Wells); T. W. Eckert is the organist.

UNCHASTITY THE DOMINANT EVIL The Infamy of a Double Standard of Virtue

By DR. JAMES E. TALMAGE

Of the Council of the Twelve, Church of Jesus Christ of Latter-day Saints; Salt Lake City, Utah.

Note: For free copies of other articles of this series, send request to the author.

The Church of Jesus Christ of Latter-day Saints proclaims the law of personal purity as a Divine commandment, the violation of which constitutes one of the most grievous of sins. We hold that the requirement is equally binding upon both man and woman, and that a standard by which he is excused and she condemned is infamously unjust. Expressive of the attitude of the Church upon this subject, the following excerpts are taken from a pamphlet by President Joseph F. Smith, the presiding official in the Church.

"What has come to be known in present day literature as the social evil is a subject of perennial discussion, and the means proposed for dealing with it are topics of contention and debate. That the public conscience is aroused to the seriousness of the dire condition due to sexual immorality is a promising indication of prospective betterment. No more loathsome cancer disfigures the body and soul of society today than the frightful affliction of sexual sin. It vitiate the very fountains of life and bequeaths its foul effects to the yet unborn as a legacy of death.

"Infidelity to marriage vows is a fruitful source of divorce, with its long train of attendant evils, not the least of which are the shame and dishonor inflicted on unfortunate though innocent children. The dreadful effects of adultery cannot be confined to the erring participants. Whether openly known or partly concealed under the cloak of guilty secrecy, the results are potent in evil influence. The immortal spirits that come to earth to tabernacle in bodies of flesh have the right to be well-born, through parents who are free from the contamination of sexual vice.

"It is a deplorable fact that society persists in holding woman to stricter account than man in the matter of sexual offense. What shadow of excuse, not to speak of justification, can be found for this outrageous and cowardly discrimination? Can moral delinquency be any the less filthy and pestiferous in man than in woman? Is a male leper less to be shunned for fear of contagion than a woman similarly stricken?

"On the business, the injustice, the dishonor of it all! Happily the early promulgators of this shameful conception of a double standard of morals for the sexes are hidden in the oblivion of the past. Let the infamy in which they should rightly share be borne by those who countenance the current acceptance of so vicious a distinction? Visualize the spectacle. Man, who is by nature the protector and defender of woman, ready to stone to social death the adulteress, in whose sin he was partner!

"So far as woman sins it is inevitable that she shall suffer, for retribution is sure whether it be immediate or deferred. But in so far as man's injustice inflicts upon her the consequence of his offenses, he stands convicted of multiple guilt. And man is largely responsible for the sins

against decency and virtue, the burden of which is too often fastened upon the weaker participant in the crime.

"Horrible as the condition is, it is nevertheless a black reality, that hordes of women prostitute their bodies and souls for money and find no lack of eager buyers. Who is the more depraved—the vendor or the purchaser of woman's honor? In many cases a power of discernment and analysis superior to human attainment is essential to a just verdict, but it appears certain that whatever of palliation through stress of circumstance may be found for the woman, guilty lust is too generally the primal motive of the man.

"The low esteem in which strict sexual morality is currently held is an element of positive danger to the nation as a human institution, to say nothing of the wholesale debauching of souls as an offense against Divine decree. With such awful examples as history furnishes, it is a matter of astonishment that governments should be so nearly oblivious to the disintegrating forces springing from violations of the moral law amongst their citizens.

"The grandeur of ancient Greece, the majesty of Rome, one of the proud rulers of the world, have disappeared, and the verdict of history specifies the prevalence of sexual immorality as among the chief of the destructive agencies by which the fall of those mighty peoples was effected.

"Is our modern nation to bring upon itself the doom of destructive depravity? The forces of disintegration are at work throughout the land, and they operate as insidiously as does the virus of deadly contagion. A nation-wide awakening to the need of personal sanitation and of vigorous reform in the matter of sexual morality is demanded by the exigencies of the times.

"The Gospel of Jesus Christ is the divinely ordained panacea for the ills that afflict humanity, and pre-eminently so for the dread affliction of sexual sin. Note the teachings of the Master while he ministered among men in the flesh—they were primarily directed to individual probity and rectitude of life. The letter of the Mosaic Law was superseded by the spirit of personal devotion to the right. 'Ye have heard,' said He, 'that it was said by them of old time, Thou shalt not commit adultery: But I say unto you, That whosoever looketh on a woman to lust after her hath committed adultery with her already in his heart.' (Matt. 5:27, 28). The sin itself may spring from the sensual thought, the lustful glance; just as murder is often the fruitage of hatred or covetousness.

"We accept without reservation or qualification the affirmation of Deity through an ancient Nephite prophet: 'For I, the Lord God, delight in the chastity of woman. And whoredoms are an abomination before me. Thus saith the Lord of Hosts.'

VOCATIONAL ANALYSIS

IF YOU HAVE FAILED TO ATTAIN YOUR IDEALS IN LIFE, IF YOU HAVE AMBITIONS WHICH YOU DO NOT FULFILL, IT IS BECAUSE YOU DO NOT UNDERSTAND YOURSELF AND YOUR OWN ABILITY OR TALENT.

IF YOU HAVE ALWAYS PLANNED FOR YOURSELF A CERTAIN CAREER, AS ACTOR, AUTHOR, ARTIST, MUSICIAN, OR PUBLIC SPEAKER, ONLY TO FIND OBSTACLES CONTINUALLY ARISING TO BLOCK YOUR WAY, IT IS BECAUSE YOU HAVE NOT RECOGNIZED AND DEVELOPED THE PERSONAL, INDIVIDUAL QUALITIES WHICH WILL MAKE YOUR WORK DISTINCTIVE—A LITTLE DIFFERENT FROM ANY OTHER ACTOR'S, A LITTLE MORE EFFECTIVE THAN ANY OTHER'S IN THE SAME FIELD.

ONE LITTLE TRICK OF FACIAL EXPRESSION, A CHARACTERISTIC WALK, THE INDULGENCE IN SOME PERFECTLY NATURAL ECCENTRICITY HAS RAISED MANY AN ACTOR OR ACTRESS FROM OBSCURITY TO FAME.

OFTEN THE TYPICAL LITTLE HABIT WHICH YOU WOULD CALL A PECULIARITY AND TRY TO OVERCOME IS THE KEYNOTE TO A SUCCESSFUL CAREER. SUCCESS MEANS THE DEVELOPMENT AND ACCENTUATION OF YOUR OWN PECULIAR TALENT, NOT THE IMITATION OF ANOTHER'S CHARACTERISTICS HOWEVER ADMIRABLE THEY MAY BE.

THE MOST DIRECT AND SATISFACTORY ADVICE IN THESE PROBLEMS, WHICH ARE STRICTLY INDIVIDUAL, LIES IN INDIVIDUAL VOCATIONAL ANALYSIS BY A COMPETENT, QUALIFIED SPECIALIST.

TUMOR

I WISH TO ADD MY TESTIMONIAL AS PROOF OF YOUR GREAT ABILITY TO HEAL BY PRAYER THE SICK AND AFFLICTED.

I WAS A NON-BELIEVER AND VERY ANTAGONISTIC TO ANY METHOD OF HEALING BY PRAYER. STEEPED IN THE FALSE KNOWLEDGE OF MATERIA MEDICA, I HAD VERY LITTLE OPPORTUNITY TO KNOW THAT THERE IS A POWER MUCH GREATER THAN THE PHYSICAL, WHICH IS MEND OVER MATTER.

REGARDLESS OF THIS PREJUDICE, I WAS HEALED IN LESS THAN THREE DAYS OF A VISIBLE TUMOR UNDER MY RIGHT ARM WHICH WAS AS LARGE AS A GOOD-SIZED ORANGE. IT HAD BEEN GROWING FOR SEVEN YEARS.

I WAS ALSO CURED OF HEADACHES AND CHRONIC CONSTIPATION, ALL OF WHICH DISAPPEARED A FEW DAYS AFTER MY FIRST VISIT TO YOUR OFFICE.

FOR THESE CURES, AND ESPECIALLY THE SPIRITUAL UPLIFT, I AM TRULY GRATEFUL TO YOU. I HOPE THIS TESTIMONIAL WILL HELP SOMEONE TO INVESTIGATE YOUR MARVELOUS WORK.

NERVOUS BREAKDOWN

I HAND YOU A RESUME OF MY ILLNESS AND RECOVERY AND IF IT HELPS OTHERS TO FIND THE WAY BACK FROM THE DEPTHS OF DESPONDENCY INTO A NEWNESS OF LIFE, AS I HAVE FOUND IT, I SHALL FEEL THAT I HAVE NOT SUFFERED IN VAIN.

IN JANUARY OF 1918, A NERVOUSLY RUNDOWN CONDITION RESULTED IN A SEVERE CASE OF NERVOUS INDIGESTION. FROM THIS TIME, ALTHOUGH I CONTINUED WORK, MY HEALTH FAILED. IN THE FALL OF 1918, OWING TO CHANGES IN THE OFFICE AND BREAKING OF HOME TIES, WORRY WAS ADDED TO MY ALREADY CRITICAL CONDITION. THIS RESULTED IN A NERVOUS BREAKDOWN IN DECEMBER AND I WAS UNABLE TO CONTINUE MY WORK AND STARTED THE USE OF DRUGS TO OBTAIN RELIEF AND SLEEP. MY CONDITION GREW STEADILY WORSE AND I SUFFERED UNTOLD AGONIES, AND FINALLY REACHED A STATE WHERE I WAS UNABLE TO REFRAIN FROM ALMOST CONSTANT TALKING OF A MOST DESPONDENT NATURE.

DR. COSPER ACCEPTED MY CASE THE LATTER PART OF JULY, 1919, GIVING ME ABSENT TREATMENTS. AT ONCE MY INSOMNIA BEGAN TO LESSEN AND THE NERVES TO IMPROVE. ALSO, I CUT DOWN ON THE DRUGS, AND AFTER A FEW WEEKS DISCONTINUED THEM ENTIRELY. ON OCTOBER 8TH, I MADE THE SECOND TRIP TO THE OFFICE, WHICH GREATLY HELPED AND ENCOURAGED ME. AT THIS TIME I WAS SUFFERING SEVERELY AND ON OCTOBER 11TH PHONED FOR A TREATMENT AND RECEIVED IMMEDIATE RELIEF. THIS GREATLY AWAKENED MY FAITH AND LIFTED ME OUT OF MY DEPRESSION TO THE AMAZEMENT OF THE FRIEND WITH WHOM I WAS STAYING. FROM THIS TIME I HAVE TAKEN ENTIRE CARE OF MYSELF—WHICH I HAD BEEN UNABLE TO DO SINCE EARLY IN FEBRUARY, AND NOW I AM STRONGER AND HAPPIER THAN I HAVE BEEN IN MANY YEARS.

TO BE SO QUICKLY RESTORED TO COMPLETE HEALTH AFTER SO TERRIBLE AN ILLNESS, DURING WHICH I HAD FINALLY GIVEN UP ALL HOPE OF RECOVERY, IS LIKE BEING RE-BORN, AND I HAVE NO WORDS TO EXPRESS MY GRATITUDE TO GOD AND TO DR. COSPER FOR MY HEALING.

A. I. O.

ULCERATED STOMACH

I WISH TO ADD MY TESTIMONY AS PROOF OF YOUR GREAT ABILITY TO HEAL BY PRAYER, THE SICK AND AFFLICTED.

WHEN I BEGAN TAKING TREATMENT OF DR. COSPER, I HAD ULCERS OF THE STOMACH AND SUFFERED A GREAT DEAL. I HAD SUFFERED WITH STOMACH TROUBLE FOR OVER THIRTY YEARS—COULD NOT EAT ANYTHING MUCH, AND THEN THREW UP WHAT I DID EAT; NOW I CAN EAT ANYTHING AND HAVE GAINED TWENTY-FIVE POUNDS IN THE LAST THREE MONTHS.

I WAS NEVER IN BETTER HEALTH IN MY LIFE, FOR WHICH I AM VERY GRATEFUL TO DR. COSPER, AND I CANNOT PRAISE HIM ENOUGH FOR WHAT HE HAS DONE FOR ME. I GLADLY RECOMMEND HIM TO ANY AND ALL WHO ARE SUFFERING.

HE HAS ALSO DONE MUCH FOR MY DAUGHTER; SHE WAS NEVER IN BETTER HEALTH THAN SHE IS NOW AND WE ARE SO THANKFUL FOR ALL HE HAS DONE FOR US, AND FOR GOD'S WONDERFUL TRUTH.

Kiddies Save
To Aid Poor
On Christmas

The celebration of Christmas at Union Street Presbyterian Sunday School this year will be a many-sided affair. First, at the exercises of Sunday school of 9:45, the children will turn their thoughts to those little children in "Christmas Land," that is, those in Palestine and Syria who are in such terrible need of help from us. The special Christmas offering will be made to help the little suffering ones over there. Some of the children in the school have been earning money themselves to put in their offering boxes on Sunday. Monday evening at 7:30 will be the Sunday school Christmas party, at which the children invite their parents and church friends. The program of music and recitations will be in charge of Mrs. J. C. McDermid and Miss Hazel James. One of the special features of the evening will be the singing of carols by the little children of the West Oakland Colored Orphanage, who are the guests of the girls' Philanthropia class. A special delivery was sent to Santa Claus and the children will be the special guest of honor for the evening.

On Tuesday evening, at 8 o'clock, the young people of the church, assisted by the choir, will give a special Christmas party. It is a patriotic message as well as a Christmas message, by this means, Union Street wishes to send forth into the community. A most cordial and hearty invitation is given to all friends and neighbors near and far to come and bear and while America is called to judgment by the three judges, Brotherlyhood, Liberty and Justice.

The program for the evening is as follows: Herald, Richard McDermid; Spirit of Brotherhood, Elwood Lamphere; Justice, Eddie Strong; Liberty, Blanche Smith; Egypt, Fern Vissitt; Babylonian, Martha Stephan; Greece, Pearl James; Rome, Doris Scoville; America, Judith Plummer; China, Dorothy Pickett; India, Lillian Gallagher; Japan, Katherine McLean; Korea, Evelyn Bankin; Trumpeters, Frank Gager, Clifford Groves, George Gustafson, Arthur Gustafson, James Brandt; Handmaidens—Olivia Busk, Jeanette McDermid, Alma Ward; Immigrants—Leroy Ward, Earl McDermid, Indian—Alfred Gustafson; Labor children—Jessie McLean, Bernard Gibbs and the Dittus; Larson, Emma Slonaker, Jesse Slonaker, Marguerite Busk; Foreword of music—Education, Reginald Keating, nurse, Betty Shepherd; Spirit of Play, Zella Nicely.

BE JOYOUS AT
FRUITVALE

Christmas Sunday will be a joyous occasion at the Fruitvale Congregational Church, Fruitvale avenue and East Sixteenth street. The choir, with some additional talent, has been working hard rehearsing the Christmas music and will give a delightful musical program.

At 11 a. m. the order of services will be as follows: Devotion; invocation; responsive reading; anthem, "Christians, Awake"; scripture reading; anthem "It came upon the Midnight Clear" (Gilchrist); prayer; anthem, "Unto us a Child is Born"; offertory, hymn, "O Little Town of Bethlehem"; solo, "Noel" (Adams); John Schmitts; violin obligato; Milton Lawrence; sermon by the pastor, Charles F. Clarke, "Star of the East"; hymn, "Hark, what mean those Holy Voices"; trio, "Hark"; Mrs. Veltheby Mrs. Horne and Miss Seeley; obligatos, flute, Mr. C. Sondag; violin, Mr. F. H. Seeley; benediction.

At 7 p. m. the Sunday school will take the lead in the program which will consist of a service entitled "White Gifts for the King." A new service has been arranged, carrying out the idea of giving our substance, our service and ourselves to the King. Gifts of clothing and food can be used this year, money distributed unless otherwise indicated by the givers, will go to the fund for the starving children of Armenia.

CHRISTMAS SONG

Why do bells for Christmas ring?
Why do little children sing?
Once a lovely, shining star,
Sentry stands from afar,
Gently moved until its light
Made a manger-cradle bright.
There a darling baby lay,
Pillowed soft upon the hay,
And his mother sang and smiled,
"This is Christ, the holy child."
So the bells for Christmas ring,
So the little children sing.

Bible School Lesson for Dec. 21, 1919

"At the Empty Tomb and With the Risen Lord" John 20:1-10; 21:15-19

1. The first day of the week cometh Mary Magdalene early, when it was yet dark, unto the sepulchre, and seeth the stone taken away from the sepulchre.
2. Then she runneth, and cometh to Simon Peter, and to the other disciple, whom Jesus loved, and saith unto them, They have taken away the Lord out of the sepulchre, and we know not whither they have laid him.
3. Peter therefore went forth, and that other disciple, and came to the sepulchre.
4. So they ran both together, and the other disciple did outrun Peter, and came first to the sepulchre.
5. And he, stooping down, and looking in, saw the linen clothes lying; yet went not he in.
6. Then cometh Simon Peter following him, and went in, and seeth the linen clothes lying.
7. And the napkin, that was about his head, not lying with the linen clothes, but wrapped together in a place by itself.
8. Then went in also that other disciple, which came first to the sepulchre, and he saw, and believed.
9. For as yet they knew not the Scripture, that he must rise again from the dead.
10. Then the disciples went away again unto their own home.
11. So when they had dined, Jesus saith to Simon Peter, Simon, son of Jonas, lovest thou me more than these? He saith unto him, Yea, Lord; thou knowest that I love thee. He saith unto him, Feed my lambs.
12. He saith to him again the second time, Simon, son of Jonas, lovest thou me? He saith unto him, Yea, Lord; thou knowest that I love thee. He saith unto him, Feed my sheep.
13. He saith unto him the third time, Simon, son of Jonas, lovest thou me? And he said unto him, Lord, I know not all that thou sayest: thou knowest that I love thee, Jesus said unto him, Feed my sheep.
14. Verily, verily, I say unto thee, When thou wast young, thou girdest thyself, and walkedst: whether thou wouldest; but when thou shalt be old, thou shalt stretch forth thy hands, and another shall gird thee, and carry thee whither thou wouldest go.
15. This spake he, signifying by what death he should glorify God. And when he had spoken this, he saith unto him, Follow me.

Forty-four children are now in our Receiving and Boarding Homes awaiting placement. The supply of boys is rather over-topping the demand, so please send in your application for a boy or find some one who will, but remember they are the real live Period type of youngsters, so don't expect a sissy.
